FOR IMMEDIATE RELEASE: May 9, 2019

Google Cloud Academic All-District® Softball Team Released

The 2019 Google Cloud Academic All-District® Softball Team, selected by CoSIDA, recognizes the nation’s top student-athletes for their combined performances on the field and in the classroom. The Google Cloud Academic All-America® program separately recognizes softball honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

First-team Academic All-District® honorees advance to the Google Cloud Academic All-America® ballot. First-, second- and third-team (when selected) Academic All-America® honorees will be announced in June.

The Google Cloud Academic All-District® teams include the student-athletes listed on the following pages and are divided into eight geographic districts across the United States and Canada.

The Division II and III Google Cloud Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CoSIDA with handling the awards fulfillment aspects for the 2018-19 Divisions II and III Academic All-America® programs. The NAIA Google Cloud Academic All-America® program is partially financially supported through the NAIA national office.

For more information about CoSIDA's Google Cloud Academic All-District® and Academic All-America® Teams program, visit AcademicAllAmerica.com or the Academic All-America® home page on CoSIDA.com.
