GNAC News & Notes

VIKINGS' TOURNAMENT RUN HONORED: It isn't too often a team wins seven games in seven days, but the Western Washington softball team did just that in its 7-1 road trip last week.

The Vikings started the week on the right foot with a sweep of Simon Fraser in a border battle doubleheader on Monday. They then made the trip south to California, going 5-1 in a swing that included a perfect record in the massive Tournament of Champions event. The victories ran the club's winning streak to five games while also earning the selection as GNAC Team of the Week.

"I couldn't be prouder of this team and the way they competed this week," said head coach **Sheryl Gilmore**. "Playing eight games in seven days on seven different fields and to see them show up each game the way they did with a determination and belief that they were going to win was so fun to watch. They never let up and they all had each other's backs out there fighting for the same thing."

In the process, Western Washington became the first GNAC team in tournament history to finish undefeated.

ADD TOURNAMENT OF CHAMPIONS: Western Washington was one of four GNAC teams to leave Turlock with winning records.

Concordia, Saint Martin's and Western Oregon all finished with 3-2 records at the Tournament of Champions. The Cavaliers posted a 7-2 win over Hawaii Pacific, a 5-4 win over Humboldt State and a 4-3 win over Cal State San Bernardino.

Saint Martin's posted a 17-2, five-inning win over Holy Names, a 5-4 win over Chaminade and an 8-4 win over Cal State San Marcos. Western Oregon, meanwhile, won its last three games of the tournament. The Wolves scored a 4-2 win over San Francisco St., a 3-1 win over Stanislaus State and a 10-4 win over Cal State Dominguez Hills.

The win of the tournament, however, belong to Montana State Billings. The Yellowjackets won just one game, a 2-0 victory over No. 13 ranked Chico State. Maddy Lincoln limited the Wildcats to just four hits while the offense manufactured single runs in the fourth and fifth for the upset.
