Saldana Falls One Of GNAC's Oldest Records

It's one thing to break a record, but another to break a record that had the longevity of the one that Western Oregon's **Adrian Saldana** broke on Saturday.

The Wolves' senior kicker set a GNAC record with his 55-yard field goal that helped seal a 13-7 win at Texas A&M-Kingsville. That bettered the previous record of 54 yards that was set by Western Washington's Justin Koenen against Central Oklahoma on Aug. 30, 2001. It was the first football game ever played by a team in the GNAC.

The kick was also the longest since Western Oregon's Kelly Morgan booted a 53-yarder against Grand Valley State on Sept. 1, 2012.

Saldana accounted for seven of the Wolves' 13 points in the victory, allowing WOU to improve to 3-3 on the season. After losing three straight to begin the season, WOU has now won three straight.

Western Oregon will open the second half at a Central Washington team that has moved into the driver's seat in the conference title race. The Wildcats showcased themselves on the ESPN3

Division II Football Showcase on Saturday, knocking off Azusa Pacific, 45-31, in a matchup of two nationally-ranked teams.

The Wildcats scored six touchdowns, three of which were scored by sophomore running back **Michael Roots**. His 186 all-purpose yards, 152 rushing yards and three scores earned Roots selection as the GNAC Offensive Player of the Week.

Humboldt State collected the first win of its farewell season, successfully neutralizing a solid offensive effort by Simon Fraser for a 23-16 victory. The win was sealed by sophomore linebacker **Demetrick Watts**, who recovered a goal-line fumble for the winning touchdown. He also had eight tackles to earn GNAC Defensive Player of the Week honors.

Simon Fraser will host Azusa Pacific to open the second half of the season. Humboldt State will play the last non-conference game of its farewell season on Saturday at UT Permian Basin.

Super Region IV & Earned Access

ABOUT SUPER REGION IV

Teams in the GNAC compete as part of Division II's Super Region IV. The regional alignment includes 41 schools and is comprised of schools from the GNAC (5), the Rocky Mountain Athletic Conference (11), the Lone Star Conference (9) and the Northern Sun Intercollegiate Conference (16). A total of 28 teams will make the Division II playoffs in 2017, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth because there are only five football playing schools of the GNAC.
