It may be necessary to burn DVDs and overnight them to conference members, with priority placed on sending them to host and visiting school's opponents for the upcoming week. When overnighting DVDs, schools must ensure that they arrive the next day. Do not use campus mail.

APPENDIX B

Tiebreakers for AQ Determination and West Region Showcase Seeding

If Two Teams are Tied

1. Head-to-head win-loss record between the tied teams
2. Win-loss record against each team in the final regular season standings, beginning by comparing records against the lowest team in the standings and working up to the top team in the standings one at a time until an advantage is gained
 - a. If there is another group of tied teams, use each team's record against the collective tied teams as a group (prior to their own tiebreaking procedures), rather than the performance against the individual tied teams.
3. Overall conference set percentage (sets won divided by total sets played in all GNAC matches)
4. Set winning percentage in matches between the tied teams (example: if Team A beats Team B 3-1 in the first meeting, and Team B beats Team A 3-0 in the second meeting, Team B wins this tiebreaker by a 4-3 advantage in set differential)
5. Total points in head-to-head matches between the tied teams
6. Winner of most recent meeting between the tied teams

If Three or More Teams are Tied*

1. Combined head-to-head record among the tied teams (e.g. in a three-way tie, if Team A was 3-1, Team B was 2-2 and Team C was 1-3, they would be seeded in that order)
2. Win-loss record against each team in the final regular season standings, beginning by comparing records against the lowest team in the standings and working up to the top team in the standings one at a time until an advantage is gained
 - a. If there is another group of tied teams, use each team's record against the collective tied teams as a group (prior to their own tiebreaking procedures), rather than the performance against the individual tied teams.
3. Overall conference set percentage (sets won divided by total sets played in all GNAC games).
4. Combined set winning percentage in all head-to-head matches played between any two of the tied teams (rank order by best set winning percentage)
5. Total points in all head-to-head matches played between any two of the tied teams
6. Random draw

**If during any of the tiebreakers involving three or more teams, there is separation of one or more teams, but three or more teams remain tied, then reapply the tiebreaker process from the first step to the teams that remain tied. If two teams remain tied, then use the two-team tiebreaker process to determine the seeding of those two teams.*

In upholding and acting upon the principles, traditions and responsibilities enunciated in the Great Northwest Athletic Conference Statement of Philosophy, the Conference expects, and will insist upon, maintenance of commendably respectable standards of decorum and personal deportment of all players, coaches, officials and spectators at Conference contests. In this regard, Referees are recognized as fully in charge of such events, with full and undeniable authority to sustain such standards and take whatever enforcement or disciplinary actions, including declaration of game forfeiture, as are necessary and appropriate. Specifically; threatening, disruptive, unsportsmanlike, disrespectful, violent, harassing, and/or seriously distracting behavior will not be tolerated. In implementing this policy, the senior game official should, at the beginning of each game, clearly outline with the team captains and coaches the standards of behavior and decorum that will be upheld and enforced.

10.1.5. Penalty Imposition and Appeal Procedures.

10.1.5.1. Whenever the Commissioner concludes that there has been a violation of this regulation, he/she shall impose the penalty prescribed above or, where he/she is given discretion as to penalty, he/she shall impose a penalty that he/she deems appropriate.

10.1.5.2. Whenever the Commissioner decides to impose a penalty, he/she shall first give notice of the decision to the individual and the institution involved. **(Revised 10/06)**

10.1.5.3. In the event that the individual or the institution feels that the penalty is inappropriate because the violation did not occur or because the penalty is excessive, there shall be the right to appeal the matter to the Appeals Committee. An intent to appeal must be filed in writing to the Commissioner's office within one working day of receipt of notice of the penalty imposed. Once notice of intent to appeal has been filed, the official, written appeal documents and supporting information must be received in writing by the Commissioner's office within two working days of receipt of notice of the penalty imposed. **[Revised 5/13]**

10.1.5.4. The Appeals Committee shall conduct a prompt hearing, giving the individual or institution opportunity to be heard.
