## KICKOFF CAPSULE

**Setting the Scene:** For the second consecutive year, San Diego won a first-round contest in the Division I Football Championship and for the second-straight year their second round opponent will be North Dakota State. The Toreros reached the second round after defeating Northern Arizona, 41-10 in Flagstaff, Arizona last week. The Bisons were the No. 2 national seed in the championship after winning its third outright Missouri Valley Football Championship and had the opening weekend off.

**San Diego Story to Watch:** Dominate the Line Again. The biggest takeaway from the Toreros opening-round win was how they dominated the line of scrimmage on both sides of the ball. Offensively, San Diego did not allow a sack and only three tackles for loss at Northern Arizona. On the other side of the line, the USD defense racked up four sacks and nine tackles for loss. That combination saw San Diego outgain Northern Arizona, 439-238. Underscoring the Toreros dominance at the line this season, they saw three offensive linemen named First-Team All-PFL and senior defensive lineman Jonathan Petersen was a unanimous First-Team pick.

**North Dakota State Story to Watch:** Generate Ground Force. In a matchup between two of the FCS' top three scoring offenses (NDSU 3rd, USD 2nd), the Bisons biggest advantage comes on the ground where they are ranked fifth in rushing yardage per game (265.1 ypg). North Dakota State has generated an impressive 38 rushing touchdowns this season from nine different rushers, four of those posting six or more scores this season. Junior running back Bruce Anderson leads NDSU's ground game with 796 rushing yards this season, striking for six touchdowns. Junior quarterback Easton Stick also has run for 493 yards and nine touchdowns.

c - co-champions

# - Jacksonville vacated its 2010 co-championship as part of penalties for PFL rules violations.

**Notes on PFL Championship:** From 1993-2000 - and returning to the format in 2005 - the PFL was composed of one division and the championship was awarded to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.

**NOTES:** The PFL records on this page reflect PFL penalties imposed against Jacksonville (# - vacated 30 wins during the 2010-14 seasons) and San Diego (% - vacated 7 wins during the 2013 season). In accordance with NCAA policy, the wins and ties, but not the losses, of the penalized team are dropped from its PFL record only. The won-lost records for each of the opposing teams are not changed when games are vacated. In addition, the overall records for both teams were not changed.
