Pioneer Football League names 543 student-athletes to 2018 Academic Honor Roll

ST. LOUIS, Mo. – The Pioneer Football League has recognized 543 student-athletes from its 10 member institutions to the Fall 2018 PFL Academic Honor Roll.

A complete listing of all student-athletes named to the honor roll, listed alphabetically by member school, follows this release.

The PFL saw more than 500 student-athletes recognized on its honor roll for a sixth consecutive year. The University of Dayton (79), Drake University (63), Butler University (63) and Valparaiso University (60) each placed more than 60 student-athletes on the honor roll. In addition, Marist College (57) and Valparaiso each placed a record number of student-athletes on the league's honor roll.

Pioneer Football League athletic director and coaches established the honor roll in 2001 as a way to recognize the league's outstanding student-athletes. The academic honor roll consists of student-athletes who participated in football at member institutions during the fall semester and posted a 3.0 grade-point average or higher during the semester while enrolled full-time in accordance with NCAA rules.
